ASSURANCE, CONFIDENCE AND STRENGTH  
**10,610-LB MAX TOWING<sup>1\*</sup>**

Experience confident towing capability with features like an available Class IV hitch receiver, integrated trailer-tow wiring and Trailer Sway Control that bring a level of security and control. A maximum towing capacity of 4,813 kg (10,610 lb)<sup>1</sup> lets you bring the big toys to the lake.

WARLOCK SHOWN IN DIAMOND BLACK CRYSTAL PEARL

<sup>1</sup>All disclosures can be found on the last page. Properly secure all cargo. Always tow within the vehicle's capacity.

# HIGH TECH FOR HIGH PERFORMANCE A TITAN OF TOWING

SLT SHOWN IN DELMONICO RED PEARL

## TOW MIRRORS

Measuring at 7x11 inches, available extra-wide trailer-tow mirrors have a convex spotter mirror that provides a wider view range.

## ELECTRONIC TRAILER BRAKE CONTROL

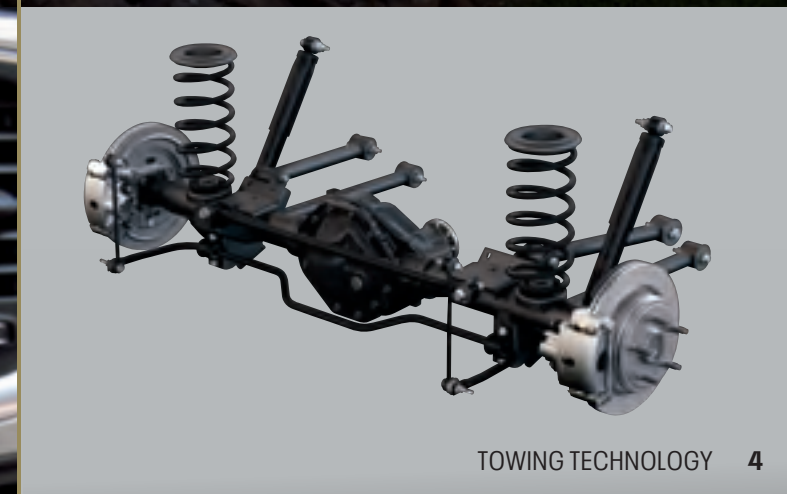

This available system can provide even greater stopping power on downhill grades. Based on the load, brake force can be customized.

## PARKVIEW® BACK-UP CAMERA²

Active Grid Lines on the standard ParkView Rear Back-Up Camera² make backing up to a trailer hitch easy.

## LINK COIL REAR SUSPENSION

Ram 1500 Classic maintains its own unique engineering, employing the long-proven, innovative link coil rear suspension.

Always tow within the vehicle's capacity.

### 3.6L PENTASTAR™ V6 ENGINE

# 305 HP | 269 LB-FT

7,660-LB (3,475-KG)  
MAX TOWING<sup>1</sup>

#### POWER AND EFFICIENCY

The 3.6L Pentastar V6 engine features Variable Valve Timing (VVT) that adjusts intake and exhaust valve timing to enhance combustion and performance, resulting in impressive horsepower and torque numbers. An innovative Thermal Management System helps keep critical internal components operating at ideal temperatures for optimal power, performance and efficiency.

The standard TorqueFlite® 8-speed automatic transmission uses technology to automatically handle and optimize shift changes for efficiency, performance and drivability.

### 5.7L HEMI® V8 ENGINE

# 395 HP | 410 LB-FT

10,610-LB (4,813-KG)  
MAX TOWING<sup>1</sup>

#### POWERED BY A LEGEND

The available 5.7L HEMI V8 engine churns out bold power, while the hemispherical head design yields built-in efficiencies. Other engineering highlights include VVT and the fuel-conscious FuelSaver/Multi-Displacement System (MDS) that transform this mighty V8 into a robust four-cylinder when less power is needed.

The standard TorqueFlite 8-speed automatic transmission enables exceptional acceleration in lower gears while optimizing thermal control for impressive efficiency and durability.

THE POWER TO GET JOBS DONE  
**1,930-LB MAX PAYLOAD<sup>1</sup>**

**MIGHTY HAULER**

With a 875-kg (1,930-lb) max payload<sup>1</sup>, Ram 1500 Classic is ready to haul materials from the jobsite or take toys to the lakefront.

TRADESMAN<sup>®</sup> WITH SXT PLUS PACKAGE SHOWN IN DELMONICO RED PEARL

### **SOLID STEEL BED**

Ram 1500 Classic cargo beds are constructed with tough, high-strength steel.

### **AIR BAG<sup>3</sup> TECHNOLOGY**

Protection comes from advanced multistage front air bags,<sup>3</sup> supplemental side-curtain air bags<sup>3</sup> and front-seat side-mounted air bags.<sup>3</sup>

### **SIDE-IMPACT DOOR BEAMS**

They reinforce the protection against side-impact force—helping to protect from every angle.

### **DYNAMIC FRONT CRUMPLE ZONES**

Engineered to bear the brunt of an impact, they're designed to help keep the driver and passengers safe and secure.

# **DURABILITY FROM INSIDE**

## **THE BACKBONE THAT UNDERPINS THE CAPABILITY**

### **TOWING AS IT SHOULD BE**

Towing can reach up to 4,813 kg (10,610 lb)<sup>1</sup> with the available Class IV hitch receiver that attaches directly to the high-strength steel frame.

### **LINK COIL REAR SUSPENSION**

Long proven over years and miles, our link coil rear suspension is tough and durable—with outstanding ride quality.

### **ANTISPIN REAR DIFFERENTIAL**

This available asset markedly increases traction in wet or snowy conditions.

### **ACTIVE GRILLE SHUTTERS**

Bringing invaluable cooling to the engine compartment, these shutters adapt to speed, load and engine needs while also helping to reduce aerodynamic drag.

# DRIVER-ASSISTED SAFETY & SECURITY FEATURES **PROTECT WHAT MATTERS MOST**

SLT WITH BLACK APPEARANCE PACKAGE SHOWN IN DIAMOND BLACK CRYSTAL PEARL

## **PARKVIEW® REAR BACK-UP CAMERA<sup>2</sup>**

This standard system displays an accurate visual reference of what is behind your vehicle when it's in reverse.

## **TRAILER SWAY CONTROL**

Tow with confidence using Trailer Sway Control which detects yaw and applies selective brake pressure on the tow vehicle's opposite side to counteract and reduce the sway.

## **PARK-SENSE® REAR PARK ASSIST<sup>2</sup>**

Indispensable protection—this available feature uses integrated sensors with ultrasonic waves to detect objects as far as 2 metres (6.5 feet) away from the rear bumper. Read-outs located in the gauge-cluster display team up with audible chimes to notify the driver of proximity to rear objects.

## **FORWARD COLLISION WARNING (FCW) WITH ACTIVE BRAKING<sup>2</sup>**

With this available system, radar and camera technology combine to alert you when the system senses a potential frontal impact. If you're not able to respond quickly enough, the system will automatically engage the brakes with the ability to bring the vehicle to a complete stop.

# CONFIDENT HANDLING THE SYSTEMS THAT MAKE THE RIDE MORE SECURE

WARLOCK SHOWN IN BILLET SILVER METALLIC

The Ram 1500 Classic braking system features optimized pedal travel to provide quick power assist. Rear wheel-speed sensors are positioned for protection against road elements. The Electronic Stability Control (ESC)<sup>4</sup> System features multiple assets for braking; it even includes vehicle control when stationary. The most notable components of ESC<sup>4</sup> are outlined here:

#### ANTILOCK BRAKE SYSTEM (ABS)

Monitoring each wheel's speed, the Ram 1500 Classic ABS design also incorporates backup braking should one of the two braking circuits become compromised.

#### ELECTRONIC BRAKE-FORCE DISTRIBUTION

When activated, brake pressure is regulated from front to rear to minimize stopping distances.

#### READY ALERT BRAKING

The system senses when the driver's foot is lifted from the accelerator; it applies an imperceptible brake force to ensure that pads and discs are lined up should an emergency stop be required.

#### RAIN BRAKE SUPPORT

When the windshield wipers are turned on, Rain Brake Support automatically and seamlessly activates. As a result, calipers gently pulse against their respective rotors to remove water from the pads.

#### HYDRAULIC BOOST COMPENSATION

Should a failure occur in the vacuum brake booster or any related line, the brake controller will kick in to run the ABS pump; the system will even convey notice of the problem to the driver. Critically, the brakes will perform as normal until the failure is serviced.

#### HILL START ASSIST

When the vehicle is on an incline, this system keeps your Ram 1500 Classic stationary for two seconds after the brakes have been released or until the accelerator is depressed.

## 8.4-INCH TOUCHSCREEN MEDIA CENTRE

### THE UCONNECT® 5 SYSTEM

OFFERS CONNECTED SERVICES AND FEATURES FOR EASE OF USE FOR BOTH NOVICE AND EXPERT USERS ALIKE.

**UCONNECT 5 NAV<sup>5</sup> RADIO** is available to keep you informed and entertained. Its large, full-colour, 8.4-inch touchscreen integrates with your iPhone through Apple CarPlay<sup>6</sup> and your smartphone with Android Auto<sup>TM6</sup> (Apple CarPlay<sup>6</sup> screen shown). The available 4G LTE WiFi Hotspot<sup>7</sup> allows you to connect up to eight devices.

With Amazon Alexa Built-In<sup>8</sup> for the Uconnect 5 radio in your vehicle, you can have the convenience of the Alexa features you enjoy at home, now on the go.

**SIRIUSXM<sup>9</sup>** connects you to music, talk shows and sports. Access all genres, favourite artists, winning teams—all the time—with SiriusXM<sup>9</sup>, including a one-year trial subscription.

**APPLE CARPLAY<sup>6</sup>** makes wireless in-vehicle iPhone use easy and safe. Your call: use the touchscreen or Siri voice commands.<sup>10</sup> Available.

**ANDROID AUTO<sup>6</sup>** Wirelessly connects your Android<sup>TM</sup> phone to access your favourite maps, media, and messaging apps like Google Maps and YouTube Music on your car display.

**SIRIUSXM GUARDIAN<sup>11</sup>** Connected Services with the Uconnect App offer remote services that let you start your car from afar,<sup>12</sup> unlock doors or flash your headlamps—all from your smartphone (includes a one-year trial subscription). Available.

**SIRIUSXM TRAFFIC PLUS<sup>13</sup> AND SIRIUSXM TRAVEL LINK<sup>13</sup>** Feature a five-year trial subscription and include a wide range of services and conveniences. Available with Uconnect 4C NAV<sup>5</sup> radio.

Uconnect®

# COMMAND CENTRAL

CONNECTIVITY, COMFORT AND TECHNOLOGY

# INTERIOR CAPABILITY

SMART DETAILS KEEP TRAVEL ESSENTIALS SECURE AND ORGANIZED

## FLAT LOAD FLOOR

Select Crew Cab and Quad Cab® models offer an available flat load floor—perfect for cargo that's too important to carry in the bed.

## CENTRE CONSOLE

Models equipped with a front bench seat receive a fold-down centre console design that includes three available integrated cup holders and instant access to the available Media Hub for connectivity.

## IN-FLOOR STORAGE

Crew Cab models have available rear in-floor bins—ideal for keeping valuables out of sight.

Properly secure all cargo.

**IT'S EVERYTHING YOU WANT**  
POWERFUL, RUGGED AND READY FOR ADVENTURE

# WARLOCK

**A LEGACY OF RUGGED STYLE** With standout styling cues, it's easy to see why buyers flock to Warlock. The available Warlock decals on the bed side and hood signal you're driving something special. The Black grille features robust Ram lettering. Other exterior highlights include 20-inch High-Gloss Black aluminum wheels, front and rear powder-coated bumpers, 25.4-millimetre (1-inch) factory lift (4x4 models only), Black wheel flares, projector headlamps with dark bezels, taillamps, Black badging, an available Sport Performance Hood, LED fog lamps, tow hooks and more. For a greater customized look, opt for the All-Terrain Package with All-Terrain tires, 17x8-inch Matte Black-painted wheels, and all-weather floor mats for the front and rear.

WARLOCK SHOWN IN PATRIOT BLUE PEARL

Properly secure all cargo. Always tow within the vehicle's capacity.

# A BOLD LOOK FOR EVERY PERSONALITY

## TRADESMAN®

### CAPABILITY THAT DOESN'T QUIT

You go all in and so will your Ram 1500 Classic Tradesman. This trim level features the standard and robust 3.6L Pentastar™ V6 engine, 17-inch steel wheels, the ParkView® Rear Back-Up Camera<sup>2</sup> and easy-to-clean vinyl seating. Opt for available features like the Electronics Group, which includes Dual-Zone Automatic Temperature Control on Quad Cab® and Crew Cab models, 7-inch Driver Information Display and Uconnect® 4C radio with 8.4-inch touchscreen, and you've just customized your pickup.

## SLT

### WORK HARD, PLAY HARD

Ram 1500 Classic SLT blends power, performance and presence. The exterior showcases pops of chrome that include the rear bumpers and grille surround, while the upper fascia is body-colour. Quad Cab and Crew Cab models provide the convenient overhead console and remote keyless entry.

## EXPRESS

### BRILLIANT STYLE

The Ram 1500 Classic Express sports an alluring appearance and robust capability. This trim showcases a full body-colour front fascia, rear bumper and grille; fog lamps; and 17-inch aluminum wheels—powered by the 3.6L Pentastar V6 or optional 5.7L HEMI® V8 engine mated to the standard TorqueFlite® 8-speed automatic transmission.

## WARLOCK

### FALL UNDER ITS SPELL

Ram 1500 Classic Warlock is available in either Quad Cab or Crew Cab with a standard 4x4 drivetrain. With 3.6L Pentastar V6 or optional 5.7L HEMI V8 engine and the TorqueFlite 8-speed automatic transmission, the Warlock model puts it together in style. Inside, count on a crew-friendly front cloth bench seat, while exterior touches include Black powder-coated bumpers, bi-functional halogen projector headlamps, rear heavy-duty shock absorbers and the Sport Performance Hood, all riding on the confidence of 20x8-inch Semi-Gloss Black aluminum wheels.

Notes regarding the charts above: numbers in **Black** boxes reflect max ratings. Payload and Max Trailer Weights are estimated values. All weights are shown in kg (lb) unless otherwise stated. Payload and Max Trailer Weight values are rounded to the nearest 4.5 kg (10 lb). Payload = GVWR - Base Weight. Trailer Weight Rating and Tow Vehicle Trailing Weight are calculated as specified in SAE J2807. Payload and Trailer Weight Rating are mutually exclusive. GAWRs, GVWRs and GCWRs should never be exceeded. The recommended tongue weight for a conventional hitch is 10 percent of the gross trailer weight. The maximum tongue weight for Class IV hitch receiver is limited to 499 kg (1,100 lb). Weight-distributing hitch is recommended for trailers over 2,268 kg (5,000 lb).

**WARRANTIES:** 2023 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre\* fully transferable Powertrain Limited Warranty with \$0 deductible plus 24-hour roadside assistance! Basic Warranty coverage is for 3 years or 60,000 kilometres.\* Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres.

\*Whichever comes first. Some conditions may apply. \*The 5-Year/100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

**MOPAR VEHICLE PROTECTION:** FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new Ram Truck. Mopar Vehicle Protection offers extended service plans to help ensure that you'll enjoy your truck for many years down the road. For more information on comprehensive vehicle coverage, see your Ram retailer, call 800-465-2001 or visit [fcacanada.ca/owners](http://fcacanada.ca/owners)

**DISCLAIMERS:** 1 When properly equipped. 2 This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. 3 The Advanced Front Air Bags in this vehicle are certified to the Federal regulations for Advanced Air Bags. Children 12 years old and younger should always ride buckled up in a rear seat. Infants in rear-facing child restraints should never ride in the front seat of a vehicle with a passenger front air bag. All occupants should always wear their lap and shoulder belts properly. 4 No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 5 Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 6 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To use Android Auto on your phone screen, you'll need an Android phone running 6.0 or higher and the Android Auto App. 7 Three-month/1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. WiFi Hotspot is available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 8 Requires a WiFi Hotspot data plan and linked Amazon account to run Alexa in the vehicle. 9 If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at [www.siriusxm.ca/terms](http://www.siriusxm.ca/terms) for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at [www.siriusxm.ca/privacy](http://www.siriusxm.ca/privacy). 10 Requires an iPhone with Siri. Certain features are not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 11 All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States, Puerto Rico and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. 12 Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 13 SiriusXM Traffic Plus and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. **If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates.** Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at [www.siriusxm.ca](http://www.siriusxm.ca) for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 14 Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. 15 Vehicle must be locked and system activated for alarm to sound.
